DEMO REQUEST FORM**

Thank you for your interest in the Cheyenne Police Department's K-9 Unit. Please refer to the following information when requesting a K-9 demonstration.

1. All request forms must be signed and submitted at least 2 weeks prior to the requested demonstration date.
2. Our K-9 handlers work the night shifts, so please provide an after-hours contact phone number and email address.
3. Demonstrations work best in large, open areas. Small enclosures are not recommended. The length (1 hour maximum) and type of demo will depend greatly upon the facilities where the demonstration is requested.
4. Our K-9s are trained in apprehension, handler protection, evidence location, tracking, and narcotics detection. Please keep in mind they are working dogs and generally not meant for "meet and greets" and petting.
