By signing below, it is understood that this food truck parking permit is intended to regulate parking on city streets. This permit has been designed for motorized food trucks which must park in the City's right of way (e.g. not on sidewalks). To protect the safety of the public and the safety of the vendors, only motorized vehicles may participate in this parking permit. The Food Vendor Special Use parking permit is renewed monthly at the discretion of the Parking Administration Manager.

All parking is determined by a first come, first serve basis. The vendor shall have a signed waiver from the business that they are parking in-front of. This waiver is obtained at the parking office.

Maximum time limits for parking do not apply to vendors using a food truck parking permit.

All traffic and safety rules apply to Food Truck vendors during their operations. In addition to parking violations, Food Truck vendors may be cited for traffic violations.

Food truck vendors shall operate in compliance with city ordinance 8.40.110.

This permit is voided if holder does not pay by the 5th of every month and turn in all signed waivers from the prior month. These permits are not prorated and are nonrefundable.
