Cheyenne Police to Host Drug Awareness Seminar for Parents/Caregivers

CHEYENNE, Wy — On Thursday, January 27 from 6:00 p.m. – 7:00 p.m. the Cheyenne Police Department is hosting a seminar to help parents, caregivers, and concerned citizens recognize the signs of drug impairment.

The seminar provides the community with a comprehensive training to recognize different types of drugs, drug paraphernalia, and physical symptoms of drug abuse.

“The goal of this seminar is to provide participants with the knowledge they need to help protect the youth in our community,” said Chief Mark Francisco. “Early recognition leads to early intervention which can prevent addiction.”

The seminar will be held in the Public Safety Center Community Room located at 415 West 18th Street. It is free of charge and open to the public.
